Worshipful Master,

Over the past few weeks, the members of the Lodge Resources Committee's Cornerstone Team have been reviewing the submissions from the various lodges that enrolled in the Cornerstone Project for 2010 - 2011. It is my pleasure to inform you that Spry Lodge No. 385 has achieved the designation of **CORNERSTONE LODGE 2010 - 2011** and on behalf of the members of the Lodge Resources Committee and particularly the Cornerstone team, we extend our hearty and sincere congratulations to you, the lodge Cornerstone Coordinator and the members of your Lodge. The membership deserves to be justly proud of the level of proficiency that has been achieved and of the commitment and dedication to gaining this designation.

As of this date, the Lodge is permitted to use the Cornerstone Lodge designation on all lodge summonses, letterhead, flyers, posters, websites, or other similar publications. The notation must read as follows:

**CORNERSTONE LODGE
2010 - 2011**

The certificate for your lodge will be presented to the DDGM of Georgian South District on Tuesday morning, July 19th at the Board of General Purposes Meeting at the Annual Communication of Grand Lodge. He will then pass it on to his successor after Thursday morning's investiture ceremony. Your new DDGM will arrange to present the certificate to your Lodge at its September meeting.

Again, on behalf of the Cornerstone Team and the Lodge Resources Committee, we offer our congratulations to Spry Lodge No. 385 on a job well done. We look forward to receiving your letter of intent for 2011 - 2012.

In closing, we are pleased to pass on these remarks from our Grand Master:

"I must add my personal congratulations to those of the Lodge Resources Committee by commending the lodge on achieving the designation of Cornerstone Lodge 2010 – 2011. In taking up this challenge the lodge has clearly demonstrated its desire to Raise the Bar and Enhance the Fraternal Experience for all lodge members. The future of Freemasonry rests solely in the

hands of the individual Mason and the efforts of the members of this lodge are commendable. In the words of Joel Barker, the man who popularized the concept of paradigm shifts; 'Vision without action is a dream. Action without vision is simply passing the time. But, Action with vision is making a positive difference.'

As the Cornerstone Lodge designation suggests by its name, your lodge is making a direct contribution to the solid foundation upon which the future of Freemasonry is built. By becoming a Cornerstone Lodge you are making a positive difference and I encourage the lodge to continue to do so by building on the momentum created by again enrolling in the Cornerstone Project for 2011 -2012."

Raymond S. J. Daniels, Grand Master

We wish the Lodge much success in 2011 - 2012.

Sincerely and fraternally,

Ronald Findlater
